CREATIVE DRAMA CLASS PRESENTATION TERM

Introduction to Trinity College London Young Performance Certificates & Group Performance Exams

Dear Parents,

The emphasis of next term's Creative Drama class is always quite different. We start with rehearsals for our open class presentation, where the students present short scenes in costume. The parents are invited to these presentations and the children are presented with a Centre Stage Certificate of participation and presentation.

This year we would like to take all our Centre Stage Class Presentations, along side the valuable work done within our Creative Drama classes and enter this work for a Trinity College London Group Exam - Young Performance Certificate & Group Drama Exams. Please see link to the website below. We are presently just working out the logistics with the Trinity College London, for their visiting Trinity Examiner to be able to see all our Centre Stage classes – bearing in mind we have approximately 40 classes to examine! ☺ We will get back to you with details as soon as this is confirmed.

What we do need from you the parent is for you to help with the following:

Your Role

Very Important –

1. Your child's teacher needs to know whether you will be attending classes next term – as scripts and casting is being arranged now. – Please inform your child's teacher regarding this. So they are aware.
2. We would appreciate it, if your child could be as consistent in their attendance as possible, and we need you to confirm that this will be possible - poor attendance impacts both themselves and the rest of the group.
3. It is really important to help your child with any line learning they may need to do. This is an area we cannot help them with. If they feel happy and confident with their words it will give them greater overall confidence in their presentation and make it an enjoyable experience for them.

Whether the class is entered in to the exam or not - **Our aim is for the students to feel as confident and happy as possible, so as to gain a positive and enjoyable experience from presenting to an audience.** This can only happen with regular attendance and help with line learning – your job ☺ and confidence in knowing what they are doing - our job ☺.

If students have to be absent please let us know before hand, so we can make any necessary adjustments to the rehearsal structure.

We will have the individual class presentation dates with you, as soon as possible and confirmation regarding the exams as soon as logistics have been finalised. <http://www.trinitycollege.com>
