

## Everything's Coming Up Roses

I'll be swell! I'll be great!  
Gonna have the whole world on a plate!  
Starting here, starting now,  
Baby, everything's coming up roses!

With my new Christmas Tax,  
I've got nothing to do but relax.  
Give a kiss, give a cheer!  
Baby, everything's coming up roses!

See me winning, the world will be mine!  
Can't help grinning, this'll be just the beginning!

Curtain up! Light the lights!  
Ooh the thought of it all just excites!  
I'll be swell, I'll be great.  
I can tell, just you wait.  
The kingdom and the castle will be mine!  
Everything's coming up roses for me about time!

I can do it, the King's just a fool.  
Watch me do it, the one who is gonna see to it!

I will lie, I will cheat.  
Gonna have the whole world at my feet!  
Ring the bell, bang the drum,  
Can't you tell, I'm the one!  
And nothing's gonna stop me 'till I'm through!  
Baby, everything's coming up mince pies and pud for me!  
Everything's coming up presents and gifts for me!  
Everything's coming up diamonds and jewels for me!  
Everything's coming up roses for me and for me!!!!!!!!!!!!
