A Right Rubbish Christmas

Take one greedy king, his dentally - challenged daughter, a wicked self-centered, self-indulgent, self-loving, self-serving, selfish, stuck-up advisor, throw in a pantomime dame, her long suffering son, a fairy godmother and a cow...

...add a sprinkle of songs and a dollop of laughs, shake enthusiastically...and dump them in the rubbish - and hey presto, you have all the ingredients for this big hearted, fast paced and hilariously funny family show.

Brought to you by a cast of actors from the UK, Australia and Singapore, this seasonal spectacular embraces the true spirit of Christmas and is guaranteed to start everyone's yuletide with a bang!

IF YOU'RE LOOKING FOR A FESTIVE TIME, COME AND SEE OUR PANTOMIME!

The perfect Christmas Party for a School or Business

looking to host a fabulous end of year celebration!!

As well as providing an exciting outing, this option also has the advantage that we can add some audience specific jokes and get key people - teachers and managers for example - up onto the stage. The Sands Theatre seats 1679 with approx. 1000 seats in the stalls, by buying out an entire show - which would take place on

Saturday 19th November at 6pm - ticket prices per head are drastically reduced to only \$20+ (sistic booking fee). An absolute bargain for a hilarious and high quality show at such a prestigious venue!
