

August 2016

Dear Parents and Students,

Welcome to those students that are new to this class, welcome back to those returning to a new term and the beginning of our academic year. We hope you all had a great summer and have returned with bundles of enthusiasm, energy and creative ideas to get this term off to a great start!

This term, as always, we will continue our training in the three disciplines of Acting, Voice and Movement concentrating mainly on the Acting. Within the next few weeks you will receive a rehearsal schedule and contracts for our March productions and dates for our academic year activities. Once rehearsals start, this then becomes the main focus of our classes until the play is performed. Within rehearsals the students will continue to develop the skills of an actor and performer, as they put them in to practice during each session.
