

Mr. Cellophane Lyrics

If someone stood up in a crowd
And raised their voice up way out loud
And waved their arm and shook his leg
You'd notice him

If someone in the movie show
Yelled, "Fire", in the second row
This whole place is a powder keg
You'd notice him

And even without clucking like a hen
Everyone gets noticed, now and then
Unless of course, that personage should be
Invisible, inconsequential me

Cellophane, Mr. Cellophane shoulda been my name
Mr. Cellophane 'cause you can look right through me
Walk right by me and never know I'm there

I tell ya Cellophane, Mr. Cellophane shoulda been my name
Mr. Cellophane 'cause you can look right through me
Walk right by me and never know I'm there

Suppose you was a little cat
Residin' in a person's flat
Who fed you fish and scratched your ears?
You'd notice him

Suppose you was a woman, wed
And sleepin' in a double bed
Beside one man, for seven years
You'd notice him

A human being's made of more than air
With all that bulk, you're bound to see him there
Unless that human bein' next to you
Is unimpressive, undistinguished you know who

Cellophane, Mr. Cellophane shoulda been my name
Mr. Cellophane 'cause you can look right through me
Walk right by me and never know I'm there

I tell ya Cellophane, Mr. Cellophane shoulda been my name
Mr. Cellophane 'cause you can look right through me

Walk right by me and never know I'm there
Never even know I'm there

Hope I didn't take up too much of your time
