

## I Turned the Corner lyrics

JIMMY:

Dozens of buses  
Hundreds of cabs  
Thousands of people  
Way down below  
Wandering to and fro  
Tireless people  
No time to lose  
Crowding the avenues and parks  
On their marks  
Racing fast; quite a cast  
Millions of people, pick any two  
They could be just like  
You and me used to be  
Way back when, strangers, then -

I turned the corner  
Stopped on a dime  
Like I remembered someone  
Long forgotten  
No mere flirtation, no marking time  
I turned the corner when I met you  
When I met you

Was our encounter planned  
Destiny's guiding hand?  
Fortune or fate, it's grand  
The way you make me feel

JIMMY and MILLIE:

I turned the corner  
Feet on the ground  
My spirit soared as you appeared before me!  
I wasn't looking, look what I found

JIMMY:

I turned the corner when I met you

MILLIE:

I turned the corner

when I met you

When I met you
