Dear Parents and Students

Putting on any performance requires, work inside and outside of classes & rehearsals – practicing dances, line or lyric learning, hard work, discipline, commitment, energy and enthusiasm therefore we need to ask the students if they are prepared to commit to this project before we can choreograph & cast the show and get under way with rehearsals properly. Regular attendance during rehearsals is also of paramount importance both to the success of the rehearsal and to the building of a strong company spirit. So, in order to instil professionalism and responsibility we ask each of the students to think seriously about this undertaking before signing and returning this contract and for the parents to read through all the necessary documents together with your child to understand your role and the support required for this project.

As we get nearer to the production, we will need extra rehearsals, please see attached rehearsal schedule. Please be prepared to work these extra rehearsals and be on standby for any dates marked as such. The breakdown of the rehearsals is as follows:

Scheduled Rehearsals in Class time	11 + Hours Approx
Extra Rehearsals	8 + Hours Approx
Standby Rehearsals	00 Hours Approx

Please be prepared to work these extra rehearsals and be on standby for any dates marked as such.

Please read, sign and return the contract before the next session. The return of these contracts, are necessary for us to be able to fully understand your prior commitments and your commitment to this project.

Thank you parents for reinforcing and supporting this good working practice.

If you have any questions or problems with the above please don't hesitate to contact your Teacher

Very best wishes

The Centre Stage Team
