**Saturday 1pm Class with Sophie Luker – Teacher Change**

Dear Parents,

It is always our aim to make very few changes to classes, or teachers during term time, trying only to make necessary changes only at the end of an academic year in order to accommodate the natural changes that occur, as people relocate to different countries, changes in school activities. Unfortunately due to unforeseen timetable changes, we are going to have to change your child's teacher for the Saturday 1pm Class from Sophie Luker to Gersom De Koning till the end of next term and the end of our academic year June 2017.

Gersom has covered this class on several occasions already, as well as last weekend and is getting to know the children and he will continue teaching this class together with Sophie this week, to allow a smooth transition for all involved. Sophie will pass on any relevant notes and discuss the individual needs of all the students in the class, so that Gersom is fully up to speed with all the children and their progress & understands the dynamics of the class. Sophie will continue to monitor the students' progress and regularly discuss with Gersom.

We feel sure that the children in this class will enjoy their classes with Gersom, have a lot of fun with him and grow to like him as much as Sophie.

We do apologies if this causes any inconvenience. If you have any questions regarding this change please don't hesitate to contact us.

Very best wishes,

The Centre Stage Team
