

Dear Parent

Your Child is turning 13 next academic year, they are now old enough to move up from their current class, to **Theatre Workshop – Acting Class**, Age 13 -18 yrs, which runs on a Saturday.

This three-hour class is a natural progression for any students attending our On Stage performance courses and for the keen performer. It is however, a step up in both time and commitment.

Theatre Workshop Acting, is a three-hour training class, with an emphasis on Acting skills. This performance course includes classes in voice and actors movement, with an aim to produce Actors with good all round performance skills and who possess the right attitude and understanding of what is required to become a professional Actor. This course also forms a supportive and complimentary pathway alongside IGCSE, GCSE, A'level, and IB drama, Trinity & LAMDA Drama Exams. It is the perfect foundation for students who wish go on to further train at the age of 18 and is ideal for anyone wishing to pursue a career in the Arts. It is also for the keen enthusiast who doesn't wish to make their career, performance, as the combined skills of performance, drama, confidence building, attitude to work, punctuality and preparation, allow this to be of value to everyone.

Theatre Workshop provides new challenges for the On Stage! Acting Students. All students electing to move on will have identified a real passion for performance, and demonstrate:

- A desire to continue development of their skills and techniques necessary for performance
- Consistent enthusiasm and a dedicated attitude
- Comprehension and understanding of time commitment, and the need for consistent attendance – to ensure the mutual commitment to all in the class and 'cast'.

The most natural and relevant way for us to share these requirements, and understand the students that want to be part of the Theatre Workshop course and environment is for all students to pass through an **audition process**. We encourage all parents to have read and understood the requirements for this course, please see the website. Once you have done this please contact the office to confirm an audition time.

We do understand that some students are unable to commit to attending the Saturday programme, and we would like to ensure that we have provided other opportunities at Centre Stage.

If you would like information regarding this or any other age appropriate courses please contact us on 6732 7211 or email to info@centre-stage.com

If you wish to withdraw from this class please let us know in writing before next week, as the withdrawal deadline has already taken place - So that we can return your deposit as per the Centre Stage Terms and Conditions.

Best wishes,

Admin & the Centre Stage Team
