

13th June 2017

To all of Liliana's Students & Parents.

Dear Parents & Students,

After seven years at Centre Stage, It is with great sadness that we have to announce and confirm that Liliana will not be continuing her teaching with Centre Stage in the new Academic year.

Liliana wishes to be able to spend more time with her gorgeous little girl and family, perhaps re train as an RAD examiner and have the flexibility to be involved in different projects as and when they arise. We are hoping that Liliana will be happy to stay connected to Centre Stage and available on occasions, to be able offer advice, consultation when needed and provide master classes and professional workshops at her own discretion.

We have absolutely loved having Liliana as part of our team and she is definitely one of the family. We will miss her dearly and her presence in the centre. We would like to thank Liliana for all her professionalism, hard work, contributions and passion for her craft and for her students during her time with us and we hope you will join us in wishing her all the very best for the future as she will be sorely missed by colleagues, students & parents alike.

We would like to introduce you to our new ballet teacher who will be taking over from Liliana, (dependent on MOM approval) Her name is Megan West and she holds a BA (hons) in dance education from the Royal Academy of Dance. Megan also has additional dance teacher qualifications with the IDTA and has experience as a both dancer and as a teacher. We are very excited and looking forward to her arrival from the UK in August.

Classes continue to the last week of our term and academic year with Liliana till 7th July.

Thank you to Liliana, for all her commitment, loyalty and hard work and we wish both Liliana and any of her students moving to a different country lots of luck and happiness in their new life and journey. Those remaining in Singapore we wish you all a very happy summer break and afterwards look forward to seeing the students back refreshed for the new academic year in August.

Very best wishes,

Ali & Pete
And The Centre Stage Team
