

Lucy Calvert Update – August 2017

Dear Parents & Students,

We are very sorry to say that Lucy Calvert who was ill at the end of last term has not made the recovery everyone was hoping for. Although throughout the summer, she has completely rested, seen specialists and taken the required medication, there is no improvement and her doctors have given her a medical certificate for another month so that she can rest further and they can continue to monitor her progress whilst in the UK. Therefore as Lucy will not be here in Singapore and teaching at the beginning of term, we have had to make changes to our timetable and find a team of teachers to cover her teaching timetable till she is well enough to return to work.

The team of teachers covering at the Centres are as follows:

Tania Levy – professional singer and Teacher - New to Centre Stage this term.

Megan Chng – CS teacher of dance and Musical Theatre

Roshni Nagaria – CS Teacher of MT & Drama and heads up CS Charitable wing

Isobel Walker – New to CS this term – Teacher of Pop stars & MT Junior

Georgia Braithwaite - a qualified Ballerina and full time professional dancer and teacher of dance and Musical Theatre, who we have especially flown over from the UK to cover Lucy's classes and The RAD Ballet classes until Our new RAD Ballet teacher Megan West arrives. – Georgia is also a friend and previous colleague of our Dance teacher Josh Kiernan.

Josh Kiernan – CS Teacher of Jazz, Ballet, Tap & Contemporary, GCSE Dance & Musical Theatre

Peter Hodgson – Director of CS

The following teachers will take your classes until Lucy Calvert Returns:

We hope you will join us in wishing Lucy a speedy recovery and thank you in advance for your understanding in this matter. We also thank all our fabulous CS team and to the teachers for jumping in to help, being flexible, understanding and accommodating, whilst we make changes throughout our timetable to schedule additional classes and cover classes to the timetable.

Very best wishes,

Ali & Pete

And The Centre Stage Team
