**Welcoming & Introducing Megan West – New RAD Teacher  
Ballet Teacher Updates – September 2017**

**Dear Parents & Students,**

We do hope that you have all had a lovely holiday and good break and are getting in to the swing of term?

We are delighted to Welcome and introduce **Megan West** our new RAD Ballet Teacher to Singapore and to the Centre Stage – We hope you will also join us in welcoming her warmly.

She is a little late joining our team as before our job offer to Megan – Megan had already made a prior arrangement & commitment to be involved in a Dance charity project & workshops taking place in Ghana, which finished later than our term began. We were very happy to support and accommodate this and agreed that she could fulfil this commitment and begin her job with us later than the usual start of term. We thank Georgia Braithwaite for being such a wonderful teacher covering these classes. Thank you Georgia.

Megan is a lovely addition to our team and the dance department and we are looking forward to working with her over the next two years.

Megan is a dedicated, diligent and caring teacher passionate about dance and dance education. We feel sure that you will enjoy your classes with her, be inspired by her and grow and develop your skills as well as continue your joy & love of dance.

**Please Note**

Due to Megan's arrival date and fitting in preparation for our annual Ballet Performance before the end of term – This year, we have decided to do something different. Ballet students will have the opportunity, in addition to regular classes, to opt in and rehearse towards our annual Dance Show in Term 2 instead - Timings and details to follow shortly.

Enjoy the term with your lovely new teacher! 😊
