

To: Jazz – Parents and Students
From: The Dance Department
Date: 18th September 2017

Dear Parents

Jazz examinations will be held on **Saturday 30th September.**

For those students and parents new to Centre Stage this academic year, this term we are focusing on reviewing and consolidating the techniques and dances we have been learning this year, so far. At the end of this period students are invited to present to an external examiner for grading and awarding of medals. If a student has not been invited to participate in the exam they are still invited to participate in the October award ceremony.

Award Ceremony

Presentation of medals and an opportunity to perform routines and dances, will take place during the Award Ceremony in October – final date, time and venue will be confirmed soon.

Dance Competition

We will also be launching our Dance Competition; presentation of these self- choreographed dances will also take place on the evening of the Award Ceremony.

Jazz Technique Students

Those students attending **Jazz Technique** - as your class is not focussed on exams and this is a free syllabus concentrating on technique, we understand some students joined this class purely due to timings and school commitments and would like to have done exams if they were in a different class. For those students we would still like to offer you an independent, formal assessment at a different time, so that you can also receive some feedback on your progress. Please let your teacher know this, if you are one of those students interested in this assessment.

If you have any questions please contact your teacher

On the following page are the details of exam fees for each level including gst, please indicate which level on the slip below.

Students, please keep up the hard work, check in and practice along with the on line videos that your teachers have uploaded for you before the summer break and thank you parents fro your continued support.

Very best wishes,

The Centre Stage Team
