

Mr Blue Sky Full Cast (Excluding Group X)

Sun is shinin' in the sky
There ain't a cloud in sight
It's stopped rainin' everybody's in a play
And don't you know
It's a beautiful new day, hey hey
Runnin' down the avenue
See how the sun shines brightly in the city
On the streets where once was pity
Mister blue sky is living here today, hey hey
Mister blue sky please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Mister blue sky please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Hey you with the pretty face
Welcome to the human race
A celebration, mister blue sky's up there waitin'
And today is the day we've waited for
Oh mister blue sky please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Hey there mister blue
We're so pleased to be with you
Look around see what you do
Everybody smiles at you
Hey there mister blue
We're so pleased to be with you
Look around see what you do
Everybody smiles at you

Mister blue sky, mister blue sky
Mister blue sky
Mister blue, you did it right
But soon comes mister night creepin' over
Now his hand is on your shoulder

Never mind I'll remember you this
I'll remember you this way
Mister blue sky please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Hey there mister blue
We're so pleased to be with you
Look around see what you do
Everybody smiles at you

Just like my brother and
David Furnish is married to Elton John
Fish Chips, Minnie and Mickey Mouse
We'll always be together

We'll always, be together
We'll always be together
We'll always be together [End here or fade out]

Little People Actors

They laugh at me, these fellows, just because I
am small.
They laugh at me because I'm not a hundred feet
tall.
I tell 'em there's a lot to learn down here on the
ground.
The world is big but lil' people turn it around.

Chorus

A worm can roll a stone. YAH!
A bee can sting a bear. PAH!
A fly can fly around the sky 'cos FLIES DON'T
CARE
You don't have to be big to be a mighty gnome
Cos we could bite the bottom of the pope in
Rome

My brother is a bruiser who is seven foot three
But I can stretch up high and tickle him on the
knee
You might think it's funny but I know that it's true.
It only goes to show what little people can do.
Now you might think I'm tiny and you wouldn't be
wrong
We're puny and we're whiney and we're not very
strong
But when we stick together then we're harder
than glue
An' suddenly you'll find what little people can do.

A worm can roll a stone. YAH!
A bee can sting a bear. PAH!
A fly can fly around the sky 'cos FLIES DON'T
CARE
You don't have to be big to be a mighty gnome
Cos we could bite the bottom of the pope in
Rome

Expressing Yourself Musical Theatres

Is it sinful if you're blue to cheer up the place?
What is wrong with dressing up in satin and lace?
Get some earrings, some mascara, heels and a fan.
Pretty soon you will start to feel a different man.

What the hells wrong with expressing yourself?
Being who you want to be?
Will anybody die if you put on a dress?
Who the hell cares if your blushers a mess?
Start a new fashion, buck all the trends.
Emphasise in-teg-rit-eeeeee.
Cos what the hell is wrong with expressing yourself
For wanting to be me?

What the hell is wrong with wearing a dress?
Being who you wanna be?
Who the hell is it you try to impress
All you have to do is learn to care less
Start a new fashion, buck all the trends
What the hell is wrong with expressing yourself?
For trying to be free.

If you wanna be a dancer, dance
If you wanna be a miner, mine
If you want to dress like somebody else,
Fine, fine, fine.

It's not a big statement, it's not a weird act
Just a good idea at the time
We'll not complain about your boring life
If you'll just leave me to mine.
If you wanna be a dancer, dance
If you wanna be a miner, mine
Everyone is different
It's the natural state
It's the facts, it's plain to see,
The world's grey enough without making it worse
What we need is in-div-id-ual-ity.

Simply the Best Musical Theatres

(An additional verse to add)

Some men are born to live at ease, doing what
they please, richer than the bees are in honey
Never growing old, never feeling cold, pulling
pots of gold from thin air
The best in every town, best at shaking down,
best at making mountains of money
They can't take it with them
But what do they care?
They get the center of the meat, cushions on
their seat, houses on a street where it's sunny
Summers at the sea, winters warm and free, all
of this and we get the rest
But who is the land for, the sun and the sand for
For me, I'm simply the best
