

Lighthouse Script – Rover – Alex & Chris

Alex Come on! Rover went this way. Quick before we lose him.

Chris Slow down will you! If you had kept hold of his lead we wouldn't be in this situation. Silly dog's always running off!

Alex Oh it's a bit dark. Rover? Rover? Where are you boy?

Chris Let's take him for a walk you said! He's very well trained you said! And here we are creeping around this spooky place looking for him! Great! I mean you've heard the stories about this place right?

Alex Stories? What stories? You're just trying to scare me now. Oh he's got to be here somewhere. I wish I had a torch.

Chris Oh yeah. I heard that a witch used to live here. And the place is full of magic things, spells and potions! If you're not careful I'll turn you into a toad!!!

Alex Stop it! You're scaring me! Please Chris. Please help me to look. I'm too scared to look on my own. I'm sure we'll find him soon. Please!

Chris Well okay. But I'm never walking that silly dog with you again!

Alex Chris, what's that on the floor?

Chris Where?

Alex There. It looks like a box or something. I bet Rover's been this way and knocked it over.

Chris And it looks like he's been eating something too! There's crumbs everywhere.

Alex There's some paper inside. It says 'whoever finds this box had better eat them all, for the biscuits found inside will make you really tall'. Well what does that mean, make you really tall!

Chris *(sees the shape of the dog off stage)* Er.....Alex....I think there's something you should see...something really big!

Alex I'm sure Rover has been this way though, he loves to eat biscuits. He's eaten them all.

Chris Er...you know I mentioned the witch, well I think the biscuits might have been magic!

Alex Oh yeah right! You're just trying to scare me again! Well it won't work. I mean if these biscuits were magic, and Rover's eaten them, it would mean that Rover would have grown enormous and ...*(we hear the sfx of a huge bark! They both look at each other and then off stage to where the dog is)*

Both Ruuuuuuuunnnnnnnnnnnnnnn!
