

**Lighthouse Script – Sweet Land – Sam & Annie**

Sam                Hey look at this.

Annie What is it?

Sam                It's a door. Shall we go in?

Annie No way! Are you crazy there could be anything inside there.

Sam                Come on. Don't be such a scardey waerdey

Annie Ok.

**They push the big heavy door and it creaks open**

Sam                Hey look at the leaves on those trees, they are made of candy floss.

Annie And these flowers are made from chocolate.

Sam                The grass is made of strawberry jelly.

Sam / Annie WOW!

Annie I wonder where we are? I think this place must be magical.

Sam                Yeah, it must be, maybe we can explore and find something that we can take back with us or maybe we can just munch on a few flowers they look delicious.

Annie I am not sure if that is such a good idea, remember what happened to Hansel and Gretel.

Sam                Oh that's just a silly fairy story, you don't believe in that do you? It's not real.

Annie Well this place is pretty unreal too if you ask me.

Sam                *(Sam snaps off a flower and starts to munch)* Ooh mmm yummy

Annie I really think that's a big mistake you know.

Sam                Yeah, yeah, yeah. These are the yummiest flowers I've ever had.

**There is a terrible noise like a giant awaking from a deep sleep**

Sam/Annie What was that? RUN!

Annie I told you it was a bad idea!
