

Lighthouse Script- Redbeard – Jo & Charlie

Joe/Jo *(offstage wingly)* Wait for me....

Charlie Oh come on Joe, I've got the door open....Wow!

Joe *(Emerging from the doorway)* What is it? Oh my...

Charlie This is it Joe, we've actually found it – Redbeard's treasure.

Joe Wow!

Charlie Look at it all – look at this, a crown from the King of Spain.

Joe A necklace from a beautiful Turkish princess.

Charlie A sword from old Redbeard himself – on guard!

Joe grabs a sword and they have a brief sword fight ending with Joe falling on a skeleton.

Joe Ahhhhh – eugh – get me up, get me up!! *(Charlie pulls her up)*

Charlie *(Pulling back a cloth)* Joe, I think you've just found old Redbeard's skeleton...

Joe What....

Charlie Yes...look at his tattered clothes, his hook and....

Joe What...

Charlie ...his wooden leg, and yes.

Joe What!

Charlie His ring!

Jos Come on Charlie, let's go, I want to go home...

Charlie What! No way!

Joe Come on Charlie, everyone knows the legend of Redbeard, "whosoever finds the ring the curse of Redbeard shall he sing"

Charlie Yes....the ring....the ring – I must have it.

Joe Er....Charlie...are you alright?

Charlie The ring....the ring....

Joe Charlie....come on, lets go...please....

Charlie SHUTUP – FOOL! It's mine!

Joe Noooooooooooooooooooo

Charlie reaches out to take the ring, as he does so, there is a blackout and a sound effect of a laughing pirate.
