Theatre Workshop Acting or Musical Theatre Option

This is for the keen and confident student who loves to perform. Entrance is through audition and we are looking for commitment maturity and discipline as well as the passion and enthusiasm to perform. This course is a three-hour class, with an Acting or Musical Theatre Option. **Acting** is a training course in Acting-Voice & Movement. **Musical Theatre** is a training in Singing Dancing and Acting with the aim to produce good all round performers, who possess the right attitude and understanding of what it requires to be a performer. It is the perfect foundation for students who wish go on to further train at the age of 18. And for those who don't wish to make their career in performance, the combined skills of performance, drama, confidence building, discipline, preparation skills, punctuality and overall good work practice & attitude to work allows this to be of value to everyone.
