## Grade 2 Class feedback and Request D1500MW

## Dear Parents,

Megan has feedback about the Monday Grade 2 class.

Currently, Monday is scheduled for grade 2 as it stands - However, we do have a space available on a Friday at 3.30pm which is presently a space scheduled and held for any overflow - if needed.

If all five girls can make Friday - and providing that we don't have any other grade 1's who can **only** make Monday then we can look to change the Friday 3.30pm slot to Grade 2 - However, we will need to see if this is the case for everyone before we confirm.

What doesn't work for us is to have two grade 2 classes, one on Monday and one on Friday with only 2-3 students in each, as this is not financially viable or effective timetabling, as we would also have a Grade 2 class on a Saturday to offer students as well. It would have to be an either Monday or either Friday as well as the Saturday that remains

Please let Megan know if you can make a Friday 3.30pm – If you can then please allow us time to check with the other students that have been offered this Monday Grade 2 time to see if they can also make a Friday and we will get e back to you to confirm this change or not.

Please note there will always be changes at the end of an academic year for the following year especially as students get older and have longer days at school, therefore our schedule needs to adjust to cater for this – so please bear this in mind for next year.

Best wishes,

Alison & Pete And The Centre Stage Team
