Stage 3 Creative Drama

Dear Parents,
Welcome to a new term and an exciting year ahead!

Welcome to those students that are new to this class, welcome back to those returning to a new term and the beginning of our academic year. We hope you all had a great summer and have returned with bundles of enthusiasm, energy and creative ideas to get this term off to a great start!

Term 1

During this term in Stage 3, students will be exploring the character and themes in the story of *The Twits* – By Roald Dahl. These are well known stories for most of the students having already, either read the book or seen one or both of the films. If not, we would encourage you to read the stories as a family, or listen to the audio book together.

By taking the stories as the stimulus we bring them alive through structured play, we ‘play out’ the scenarios as we dramatise them. We then go on to explore the themes through improvised drama, movement, voice work, confidence building and teamwork. By creating a safe, pressure free environment, we encourage the children to take an active role in the class, contributing their thoughts and ideas, listening to and accepting the ideas of others. Through confidence building exercises the children grow braver and are able to take more risks, moving from the safety of the group to an opportunity to take on individual roles and finally to saying lines on their own. A loud voice is encouraged and the need to be expressive both vocally and physically.

Experiential learning takes play as the students step in to the shoes of the characters and play out the different situations, in these carefully planned classes. We also use drama games, exercises and role – play to achieve our lesson, dramatic, social and emotional aims. As the students take on the various roles from the stories the students explore the characters vocally and physically. The children work very much as an ensemble with opportunities to take the focus of the group in a supportive, and encouraging environment.

Term 2 – In Term 2 you will receive a report outlining your Child’s progress.

Term 3 – In Term 3 of our year our students will return to this story and others explored though the year for their class presentation, where they will work to prepare & present scenes from the story.
