Verse A

Nooowwwww, listen to me brother sister gather around
If you wanna here a tale to get your feet on the ground
Pearl Daddy wanna give you all a helping hand
My mamma told me this when I was just a grain a sand
Do us all a favour 'fore I loose my head
And listen to the wise words that my mamma said,

What she say Pearl.....

You ain't got no hair all curly
And you won't grow very tall

And believe in yourself"
