House Rules for the Theatre Drop off and Collection

It is incredibly important that all parents and carers understand rules in relation to the collection and drop off of those performing in the show. We are performing in a huge professional theatre and must follow the guidelines provided to us in terms of accessibility and health and safety surrounded the theatre. We cannot stress enough the importance of listening very carefully to instructions from the Centre Stage, BASE and MBS teams, to ensure the safety of everyone.

Process to follow:

1. Students who are late should contact the chaperone (Hudah - 91182204) on the number provided by calling or sending an SMS, and state what time they expect to arrive. They must then wait at the drop off point. PLEASE ensure that IF your child is coming alone the have provided us with their mobile phone numbers and have the chaperone's number saved.
2. NO students are allowed to go through the stage door without being accompanied by Centre Stage staff or wander through the theatre auditorium without a chaperone. We are performing in the Sands Theatre and have access only to the back stage area relating to said theatre.

3. If rehearsals or the show is running more than 30 minutes late, we will send out an email and send a member of the team up to the stage door to let you know. Please then come to the drop off/collection point at the specified time. We try our best to run completely according to schedule, but please understand that we are working with children and live theatre and sometimes there are delays beyond our control. The safety of your children is our primary concern and if we have to run over time to make sure they are confident of what they are doing, we will.

4. At the end of rehearsal and at the end of the show, the chaperones will bring the students out in groups and transfer them to the parents and carers. If you are going to be more than ten minutes late, please SMS the chaperone, so that we can hold the students with us.

What NOT to do – please ensure that anyone collecting or dropping your children, are aware of these very important DON'TS. Theatres can be dangerous, the rehearsal process involves rigging lights and scenery and the stage is not safe to enter at certain times. We will ensure that your children are safely away from any of this work, please ensure that you are too.

1. If the doors are opened but the students are not ready and you are asked by the team to wait at the drop off/collection point PLEASE do not insist that you come back stage to collect your child.

2. **WHY?** While we are working it is likely that the house lights will be turned off. The route from the dressing rooms to the entrance is at this point in complete darkness and it is dangerous to walk through. To bring children safely through the auditorium we stop work and put on the house lights so that the children and chaperones can walk through safely. This is a critical rule that we instill in to the students when they are working in the theatre with us, and we need you as parents to support us by following the rule also.

3. The theatre doors will be locked during rehearsals, until we are ready for the chaperones to safely escort the students through the stage door. If the chaperones open the doors to update you on the status of the rehearsal PLEASE do not insist on entering the theatre OR ignore the instructions from the chaperone and enter the auditorium when you are being asked to wait.

We do all that we can to ensure that we run to schedule, but delays do happen, and timings may change, this is simply the nature of the work that we do. PLEASE support us and our team of teachers and volunteers, in ensuring that these very simple rules are followed.

Thank you very much for your ongoing support and understanding in these matters and to the students for their commitment and hard work during rehearsals. We look forward to seeing you at the show!

Best Wishes,
The Centre Stage Team
