

**Monday January 7<sup>th</sup> 2019**  
**F1630CM East Coast**

**Dear Parents & Students,**

We hope you all had a great break and enjoyed all the festivities with friends and family in the holiday season?

We hope the students have done all their learning of group numbers and what ever was assigned for Annie, before Christmas as holiday homework and that is all going well?

We would like to inform you that as of this term we have a teacher change for this class. Just before Christmas we were in discussion with Daniel re this and only at the very end of term, did we then make a decision not to re employ him beyond his probation period, as we didn't feel he was quite the right match for our company due to several issues.

We are delighted that Cindy is taking over this class. Cindy worked with Centre stage as a Musical Theatre Teacher for several years, before leaving in 2014 to work professionally as a singer and continue her own personal development & training as a Musical Theatre performer studying in New York.

We feel Cindy will be the perfect match for this class having the right balance of professional performance skills and qualifications, together with a passion for Musical Theatre and working with children, as well as understanding the Centre Stage ethos our aims and objectives overall and for this course. Cindy is also a phenomenal singer herself – as you may have witnessed her as one of the 'Seaweed Sisters' in our Christmas show at MBS of Corporal Crumbles Christmas Crisis! 😊

If you have any questions regarding this, please don't hesitate to contact us.

Currently, I am sick in bed with cold/flu bug, which will not shift! And Pete has broken his ankle – but is in school! 2019 can only get better! 😊 However, we are both happy to chat anything over with you if necessary.

Very best wishes

Alison & Pete
