

Trip to New York City - Friday 21st June to Tuesday 2nd July 2019

Dear Parents and Students,

Exciting news! After the success of last summer's trip to London & Tring Park we are planning a trip to New York City for this June/July! [Draft Itinerary overleaf.]

Who is it suitable for?

The trip is open to students aged at least 10 years old who are thinking about a future in the performing arts. The trip is suitable for Acting, Musical Theatre and Dance students. Similar to last year's trip to the UK, we will combine sightseeing - including of course, catching some Broadway shows - with some professional training from NYC based coaches. This year we're teaming up with [MTCA](#) to arrange some expert coaching whilst we are there. *"Each coach [at MTCA] is both a passionate teacher and a currently-working performing artist, director/music director/choreographer, or practitioner of vocal arts"* Whilst we are with MTCA, all students will train in all aspects of performance - which is what they would do at a full time performing arts school - regardless of their current favoured medium.

Cost: approx. \$6000 - as you can imagine, it's a bit chicken and egg at this stage - we need to confirm numbers genuinely interested before firming up all activities so that may come down a bit. This cost includes all flights, food, accomodation, training and shows.

If you are keen - please get in touch with Ellie on ellie@centre-stage.com or 6732 7211 to find out more, or simply chat through you options!

As we are anticipating a fair amount of demand for the trip, your interest at this stage is not a complete guarantee of a space.

Best Wishes,
Team Centre Stage
