

Daisy Little Dancer

Narr It was Daisy's first class at her new dancing school. She walked into the huge hall and looked around at all the boys and girls. She was the only new girl there and she felt a little bit worried. In one corner was Sophie practicing her toe pointing. Sophie waved at Daisy and Daisy said hello.

Daisy Hello my name is Daisy

Sophie Hello my name is Sophie

Narr In another corner were Nigel and Andrew, they were also known as the noisy duo as they were very noisy and always chasing around. As they ran around Daisy they said hello.

Nigel/Andrew Hello

Daisy Hello

Narr In another corner was Sam who was practicing spinning around. She/he stopped spinning for a second and said hello.

Sam Hello

Daisy Hello

Narr Just then Miss Pringle the dance teacher came in, she clapped her hands together and all the boys and girls stopped their spinning, running and pointing to listen to Miss Pringle. Miss Pringle told the class that the new show they were going to do was called the Silver Swan.

Miss P Our new show is The Silver Swan

Narr Everyone clapped and cheered and said hooray

All Hooray

Narr Miss Pringle explained that in the show there were some trees that were blowing in the wind. She asked everyone to swish and sway like trees.

Miss P Lets all be trees

Narr All the children swished and swayed like trees in the wind. Excellent said Miss Pringle

Miss P Excellent

Narr Next she asked the children to be fire in the forest.

Miss P Lets all be fire.

Narr All the children became fire flickering and crackling in the forest. Excellent said Miss Pringle

Miss P Excellent.

Narr Next she asked the children to become forest animals.

Miss P Let's be forest animals

Narr All the children scampered and hopped around like forest animals. Excellent said Miss Pringle.

Miss P Excellent.

Narr Now it was time for Miss Pringle to decide who was going to play which part. She asked Sophie to be the tree.

Miss P Sophie you are the tree. (Sophie says thank you)

Narr But she didn't ask Daisy. She asked Andrew and Nigel to be the fire.

Miss P Andrew and Nigel you are the fire. (They run around and say thank you)

Narr But she didn't ask Daisy. She asked Sam to be an animal in the forest.

Miss P Sam you are an animal in the forest. (Sam says thank you)

Narr But she didn't ask Daisy and now Daisy felt very sad and wanted to cry when suddenly Miss Pringle explained that there was one part left, the part of the Silver Swan. She turned to Daisy and said Daisy would you like to be the Silver Swan.

Miss P Would you like to be the Silver Swan?

Narr Daisy was so pleased and said oh yes please.

Daisy Oh yes please!

Narr The children practiced hard and soon it was the night of the show. First, the tree stood in the centre of the stage, swishing and swaying in the wind. It started to rain so the forest animal came to shelter under the tree, but soon the rain became a storm and the lightening crashed and became a fire flickering through the tree. The small animal was so scared and didn't know where to go but suddenly it saw a beautiful Silver Swan, the animal new the Silver swan would take the animal to safety so he followed the swan to the silver Lagoon where they were safe and sound. The rain soon stopped and the sun came out and everything was back to being peaceful in the forest. All the children in the show lined up to sing their song.
