

Dance Syllabus & Timetable
Academic year 2019 – 2020
Jazz, Tap, Contemporary & Hip Hop
May 20th 2019

Dear Parents,

For some time we have been exploring and researching syllabi, that would incorporate all styles of dance that we wish to provide under one organization - Jazz, Tap, Contemporary & Hip Hop, offering the opportunity for exams, for all dance students wishing to take them, as well as an examination body and content to suit our students, our Centre and our schedules.

We are delighted to say that we have found the one – Australian Teachers of Dance who provide, a thorough, fresh and up to date syllabus in Jazz, Tap, Contemporary & Hip Hop. What we like is that it is current and is reviewed and updated regularly, to stay up to date with the changing styles and demands of dance and the performing arts industry.

We will begin work in class this term and look forward to this – dynamic and fresh approach, which we are sure our students will enjoy.

Please see our free introductory Hip Hop taster session for 8-12 yrs old On Saturday 8th June at 4.30pm with Daisy - please contact the office to reserve a place for this session. And Please also look out for details of the free introductory Commercial Hip Hop taster session for 13 + yrs TBC for August 2019.

Very Best wishes,

Alison & Pete
And The Centre Stage Team
