Deadalus Your Majesty.

Deadalus Er...if you say so, Sir.

King Yes I do say so! Now, Dadalus.

Deadalu It's Deadalus, Sir.

King WHAT?

Deadalus It's Deadalus, Sir, not Dadalus...Deadalus, as in dead loss...ha ha.

King Be quiet, maggot, I will call you whatever I want. So, Didilis, I like your design for the labyrinth.

Deadalus Thank you, your majesty.

King And I would like you to build it for me.
But, Didilis, I want you to promise me that no-one will ever escape. I want my labyrinth to be full proof, do you promise me Dodoluss.

Deadalus I promise sir.

King Good, and remember this, if anyone ever escapes, I'll cut of your nose and feed it to the crows.

Deadalus Yes Sir, thank you Sir.

King Well...GET ON WITH IT.
