

Scene 3**The Prison Breakout**

Grabber *(entering unraveling wool)* 'Ere Snitch, I've got a plan. I was just reading this book called "The Greatest escapes of all Time in the World Ever" and it goes on about this bloke called Theseus and how he found his way out of a maze by just using a ball of wool.

Snitch Wow, just a ball of wool, how did he do that then, I suppose he must have surprised the guards and then tied 'em up with the wool.

Grabber No, he..

Snitch Oh I know, he cut the wool into very small pieces and then glued them onto himself and pretended to be a sheep and escaped through the kitchen going baa baa.

Grabber No, he...

Snitch Oh I know, he tied the wool to his shoe and cos it was soft and bouncy he just hopped right over the wall.

Grabber NO HE DID NOT, now will you just listen, please. He used the wool to mark his route and just followed the wool through all the confusing corridors till he found his way out of the maze.

Snitch Amazing.

Grabber Yeah, and guess what -hahahahah

Snitch What?

Grabber I have bribed one of the guards and he is going to help us.

Snitch Yeah?

Grabber Yeah. *(trying not to laugh)* He says he hates the King cos the King is so mean and that he will do anything to make him angry

Snitch Yeah?

Grabber Yeah. And guess what?

Snitch What

Grabber There he is – come on and keep quiet Snitch YEAH – I mean - yeah
