

As a show of thanks for your support over this school year - as well as the last 20 years - we are extending an offer to all parents of current students to benefit from referring your friends!

How does it work?

1. When a current parent refers a friend to us said friend is entitled to one **free trial class***
2. If they sign up for a term of classes **you get 20% off the next new course** you sign your child up to with us in 2019 e.g. a Holiday Camp, workshop or additional regular class.
3. If they sign up on the day of the trial, **they get 20% off their first term of fees**

***Simply refer your friends to this page:** centre-stage.com/home/new-refer-friend-offer/

We have a list of classes currently available to trial and once decided, they just need to fill out a registration form stating you have referred them, as well as their classes of interest, and our office will line up a trial class for them.
