

This is The Greatest Show

INTRODUCTION: Woah x 9

V1. Ladies and gents, this is the moment you've waited for (woah)

Been searching in the dark, your sweat soaking through the floor (woah)

And buried in your bones there's an ache that you can't ignore

Taking your breath, stealing your mind

And all that was real is left behind

B1. Don't fight it, it's coming for you, running at ya

It's only this moment, don't care what comes after

Your fever dream, can't you see it getting closer

Just surrender 'cause you feel the feeling taking over

It's fire, it's freedom, it's flooding open

It's a preacher in the pulpit and you'll find devotion

There's something breaking at the brick of every wall, it's holding

All that you know

So tell me do you wanna go?

C1. Where it's covered in all the coloured lights

Where the runaways are running the night

Impossible comes true, it's taking over you

Oh, this is the greatest show

We light it up, we won't come down

And the sun can't stop us now

Watching it come true, it's taking over you

Oh, this is the greatest show

V2. Colossal we come these renegades in the
ring

(Woah) where the lost get found in the crown of the circus king

Don't fight it, it's coming for you, running at ya

It's only this moment, don't care what comes after

It's blinding, outshining anything that you know

Just surrender 'cause you're calling and you wanna go
