

Beast of the World

From Old Major's Speech

Beast of the world we shall unite.

Rise up and ready for the fight.

Soon' or late' the day will be;
when man's defeated and we are free.

Soon' or late' the day will be;
when man's defeated and we are free.

Though our lives be lives full of misery,
our limbs be tired and worn.

Our dreams will not be broken
and our hearts will not be torn.

Our dreams will not be broken
and our hearts will not be torn.

Aaaahhh (etc...)
