

## RE: Trip to London & Tring Park - Thursday 25th June to Monday 6th July 2020

Dear Parents and Students,

We have now firmed up details for our proposed trip to London and Tring Park in Hertfordshire, England, this Summer. If you would like to officially sign up for the trip this year, please visit: <https://forms.gle/rzfZ56wXdhuyzgGo7> to **register by Friday 21st February** so we can go ahead and confirm all these very exciting plans! As demand for the trip is high, we would like to request the students themselves write 100 words about what they hope to get out of the trip, in support of their application.

The trip is open to students aged 10 years and older who are thinking about a future in the performing arts and looking to investigate their next steps educationally. The trip is suitable for Acting, Musical Theatre and Dance students. Whilst we are at Tring, all students will train in all aspects of performance - which is what they would do at a full time performing arts school - regardless of their current favoured medium. We are making the trip at the point in the year we are as it means Tring Park is still in regular session - so not only will we get to train with the fantastic staff there all week, we will also get a taste of what life at the school is actually like in term time. Being in such close proximity to London, we will also have the opportunity to immerse ourselves in the theatre scene of the West End whilst we are there too.

Whilst at Tring we will have access to the schools' minibuses so transport will not be a problem and food will be provided at the school. When in London, we will eat at suitable restaurants, cafes and our hotel. Our current intention is to fly direct with British Airways, and we are happy to arrange only one-way tickets if necessary to your existing summer plans.

**Cost:**

The cost of the trip works out at \$5400 per student all in - inclusive of return flights\* to London, food, accomodation, transport, three shows in London, workshops, backstage tours, all your training at Tring, and evening entertainment.

\*Alternative cost for only a one-way journey will be \$4700, and if meeting us in London: \$4200.
