About the show

Based on the iconic animated film, with Academy Award-winning score by Alan Menken, Howard Ashman and Tim Rice, Disney's Aladdin KIDS is sure to send audiences soaring on a flying carpet ride filled with romance and adventure.

When the street urchin, Aladdin, vies for the attention of the beautiful princess, Jasmine, he uses a genie's magic power to become a prince in order to marry her. Iago, Jafar, the Genie, and more are here in Disney's Aladdin KIDS - a musical adventure filled with magic, mayhem and the power of love. Specific to Disney's Aladdin KIDS are the Djinn, a group of unique stage magicians who execute the magical moments of the show.

Directors Note

Having only met this group and worked with them since late-2019, it has been a very rewarding process of getting to know and work with this wonderful class. The personalities are as varied as a tube of rainbow cake sprinkles and it made casting the show interesting. In the interest of creating the best possible learning experience for the students, we decided to double-cast. It was not an easy decision to see-through because it effectively means learning and rehearsing two different shows every class, but it is my sincere hope that the students have benefitted from the experience and have enjoyed the process!

Aladdin is one of the best junior musical offerings available with so many great songs and colorful and strong characters. Enjoy watching your children give their best on stage, they have worked with admirable effort, be proud of them.

Filming

Due to very strict licensing laws from MTI - we are prohibited to allow any filming from the audience. We are allowed to video the performance for our own reference, but we are not allowed to share this. Thank you in advance for your co-operation.
