

(We were Robbed)

(Morgana is talking to the audience.)

Last night my parents took my little sister and me to the movies.

It was THE PARENT TRAP.

And on the way home, my sister and I were laughing a lot, wondering what it would be like to be a twin.

When we got to our house, we noticed the front door was open.

Somebody had robbed us.

Inside, it looked like a tornado went right through our living room.

They took our television, computer and all my mom's jewelry.

My dad called the police and they came really fast. They said they will try to get our stuff back.

When they left my mom said it was time for us to go to bed.

My sister said she was too scared to sleep.

So I had to sleep in the bed with her.

I was glad cause I was scared too.

(Problems with a Copycat)

(Robin is talking to the audience.)

My best friend, Lisa, is the biggest copycat in the world. Everything I do, she copies.

And I'm sick of it.

Last week, I got a great Levi's jacket.

And today in school, what does Lisa have on?

A Levi's jacket.

I asked her if she was trying to copy me and she said,

"No way. I've had this a long time before you."

Can you believe she lied like that?

So I was like "Whatever".

And then she got really mad and said that "Whatever" was her word.

And that I was copying her by saying it.

Like that is totally not true.

I started using "Whatever" when I saw CLUELESS.

And I remember that I saw it two days before she did.

So I tell her that and she says, "Forget it" and storms off. "Forget it?"

That's what I always say when I get mad.

She is such a copycat.

Why am I telling you this?

Just forget it.

(Robin storms off)
