**New Academic Year - August 2020-July 21**

**Dear Parents,**

We hope you are all well and have managed to have some kind of break this Summer, during these very strange times? ☺

We are looking forward to Alice Bendall joining us for this New Academic year, to teach dance, once all approvals and quarantine periods have been cleared. Alice will continue working on the ATOD syllabus and build upon the skills and bring her experience, expertise and enthusiasm to the classes.

At the beginning of each Academic year there are always changes to the overall schedule. However, for dance, most classes remain the same and we have been able to keep same day and same time, apart from one tap class on Friday.

Please look down and check on your classes for next term.

Very Best wishes

Ali & Pete
