Important - Parent Communication Re Fame Production ..

Dear Parents,

N.B. Please read this - important info below (I'll keep it brief!)

We are very keen to get this show on, we feel the students have worked so hard on Grease last year and now on Fame, that they have earned it and we owe it to them.

So, here's the plan:

We go ahead and perform the show on the weekend of 5th and 6th June – as previously scheduled.

We aim for 3 x 60 min shows on the Sunday.

Problems:

Covid Restrictions - The number of seats in the theatre is limited to 100 (usually 240) so we have to add an additional show to make up numbers – But this extension in hiring time, adds on additional rental/technician/ labour costs

This means IF we sell out we can only sell 300 seats

The show will definitely run at a significant loss.

So sadly we will have to put the seat price up to \$55 but still want to maintain \$20 for students ticket price, so students can invite their friends. This still will not cover our costs.

We understand this is a nasty hike, but it seems the only way possible, to mount this production at the Theatre – in an outside venue.

The quality of the show will be somewhat diminished, by use of masks and having only 5 unmasked singers,

singing together and socially distant direction & choreography.

Appeal:

We really need to sell these performances out, with 23 performers, this means each performer needs to invite 13 friends and family.

If you feel this is acceptable to you and is possible to achieve on your part, then hopefully we can look to put the shows on. Please let us know if you think as a family this is possible.

Please reply with a Yes or No – and we will go from there.

Many thanks, for your help and understanding.

Best wishes

Pete and Ali
