

Suddenly I See

(Cinderella re-written lyrics)

They say it's a beautiful world
It's a beautiful world
But i'm stuck here in this house
A sad lonely girl
Everyday the same routine; I sweep and mop and clean
My stepmother and sisters are plain wicked and so mean
At night I dream
That one day I will wake up and be free

Each day I see (each day I see)
This isn't what I wanna be
Please let me see (please let me see)
What's out there in this big wide world for me
This isn't where I wanna be
Please let me see (please let me see)
What's out there in this big wide world for me

They say it's a beautiful world
It's a beautiful world
Wish I could spread my wings and soar far away like a bird
Since my father died, my world has turned to cold and grey
Inside I feel so empty, I am waiting for the day
My life begins
You never know what tomorrow might bring

Each day I see (each day I see)
This isn't what I wanna be
Please let me see (please let me see)
What's out there in this big wide world for me
This isn't where I wanna be
Please let me see (please let me see)
What's out there in this big wide world for me

Each day I see (each day I see)
This isn't what I wanna be
Please let me see (please let me see)
What's out there in this big wide world for me
This isn't where I wanna be
Please let me see (please let me see)
What's out there in this big wide world for me, oh-oh
Please let me see (please let me see)
What is out there in this big wide world for me, oh-oh
Please let me see (please let me see)
What is out there in this big wide world for me

Get This Party Started

(Cinderella re-written lyrics)

We're comin' out so you better get this party started

Get this party started at the palace tonight
Everybody's waitin' for the prince to arrive
Wearing all our finest, we look hotter than hot
Oh wow, sorry hunny, is that the best that you've got.. (spoken)
Check out all our gold and these diamond rings
Gotta look real flashy to bag you a king

We're comin' out so you better get this party started
We're comin' out so you better get this party started

Pumpin' up the volume, breakin down' to the beat
Showing my best dance moves
Better look out for me
Prince won't know what's hit him, I'm the Belle of the Ball
Getting down and funky
I'm the best of you all

We're comin' out so you better get this party started
We're comin' out so you better get this party started

(Spoken verse)
Where the heck is princey?
I don't know, but he's late!
I'm just getting hungry!
Cummon, let's grab a plate!
Ahh my feet are aching!
This dress is way too tight
I'm gonna hit the dancefloor
Yeah, let's party all night!

We're comin' out so you better get this party started
We're comin' out so you better get this party started

Just The Way You Are

(Cinderella re-written lyrics)

Prince: Oh, her eyes, her eyes
Make the stars look like they're not shinin'
Her hair, her hair
Falls perfectly without her tryin'
She's so wonderful, I wanna tell her everyday

Cinderella: Yeah, I know, I know
That my heart stops each time he looks at me
And it's so, it's so
Mad to think that he's here dancing with me
He's so wonderful, I wanna tell him everyday

ALL: When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause you're amazing
Just the way you are

Prince
& Chorus: Her laugh, her laugh
I would hear it all day if she'd let me

Cinderella
& Chorus: His smile, his smile
I'd do anything to make him happy

Prince &
Cinderella: She's/He's so wonderful, I wanna tell her/him everyday

ALL: Oh, you know, you know
You know I'd never ask you to change
If perfect's what you're searchin' for, then just stay the same
So, it's love at first sight
Please don't ever let this night end

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause you're amazing

Just the way you are

The way you are
The way you are
You're amazing
Just the way you are

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause you're amazing
Just the way you are
