

New Full Time Dance Teacher joining our Team | August 2022 | Dance Dept Update

Historically

Since January 2020 we have been looking for a full-time Dance Teacher, we searched extensively and all Singapore Teachers wished to remain freelance. We looked in Singapore first, then looked beyond. Alice, who had taught for us before, was all lined up to come back over, but with the pandemic, MOM/Covid difficulties and delays, she had to take another job in Australia as she was unable to wait any longer. Then we were delighted to find Charlotte, but again with the Covid/ Pandemic and strict restrictions on travel and everything, we were still unable to bring her out for August 2021 as planned. However, we are pleased to say that our long wait is now over.

Thank you's

We were very happy that we could have Greg a former CS student, return as a professional, to cover our teaching, and then Stephanie takes over, together with Adele and Adelene teaching Contemporary. We would like to take this opportunity to thank these Freelance Teachers, for all their care, attention and many contributions, teaching throughout a very challenging/restrictive period & teaching environment, over the last few years. As you may know, Greg has since returned to the US, Stephanie will hopefully continue to teach some classes for us when needed and happy news re Adelene, she is expecting a baby very soon. So we are sure you will join us in thanking these Teachers for all their help and guidance in such difficult times and we wish them all the very best for the future.
