

Birthday Party Information

We have been running celebration & birthday parties for over 10 years and have developed a variety of themes and a strong structure that allows us to launch new themes to include the latest popular characters or movies. Please see the list of our most popular party themes, these are adaptable to suit your specific requirements. Alternatively we are able to create a completely new custom party if you like.

We can hold your party at our Centre Stage studios on Woking Road and near Marine Parade or if you prefer, at your house, condo function room or event space. If you choose our studios we will provide a large studio for the entertainment and another studio with tables, table cloth, chairs, plastic plates and utensils for refreshments after the entertainment. Please note, we don't supply the refreshments, decorations, balloons or party bags.

You are welcome to decorate the refreshments studio as you wish and entertain your family and friends while the children are being entertained. Please note: with Package 2 we prefer that parents **are not present** during the entertainment as the children will stay more engaged in the activities and theme without any distractions.

The studios are booked for a 4-hour block to allow an hour before and after the entertainment for set up and clean up. We will provide a party leader and assistant who will be in costume. We do not provide costumes for the children but encourage the children to dress up or suggest the birthday parent provides themed accessories as the party favour.

The entertainment will last for 60 or 90 minutes and dependent upon the age appropriate package and theme will include a combination of drama, activities, craft and themed games.

After the entertainment, the children will be brought to the refreshments studio for their party tea to celebrate with parents and relatives, this may last for the remainder of the agreed party period. One hour should be left at the end of the timed 4-hour block for clean up.

Please note that it is your responsibility to pack away any food, tablecloths etc that you bring with you. We will deal with everything that we supply.
