Due to specific studio size requirements set by the RAD for vocational level exams, the Intermediate exam will take place at an outside venue and on different dates from the Graded exams. At the moment dates are not confirmed as again, the RAD do not confirm dates until 2 weeks prior, but will hopefully be at the end of March. Students entering at this level will require 2 of their coaching sessions (inc mock exam) to be held at the exam venue with the pianist and there will be an additional cost for this and timings may differ for these sessions depending on the outside studio availability. All coaching sessions will be held at the Dance Studio, Centre Stage 15 Woking Road, 138694,
