

**LCA - Hair & Make Up Requirements**

**Make Up & Hair – General:**

Please arrive at the Theatre on show day with hair and any make up already done.

**Age: Under 12's** – If wanted: Powder, a little blusher and lib balm or natural/neutral colour lipstick – simple and minimal (no glitter or coloured eye shadows). Students should come with their own make up and supply their own, for hygiene and touch up.

**Age 13 ys +** If wanted: Powder, a little blusher and lib balm or natural/neutral colour lipstick – Older students may apply brown/natural eye makeup including mascara simple and minimal (no glitter or coloured eye shadows). – Again students should come with this done and supply their own make up for hygiene and touch up.

**All Hair** neat and tidy and off the face

Please bring your own hair brushes, hair clips/ties etc for hygiene.

**MT Junior Students – Please Remember!**

**Boys** - Please have hair neatly combed.

**Girls** - Please have hair styled in a french braid (see photos attached). If your child has shorter hair, I would recommend having two French braids in order to make sure that all hair is neatly tied away. (*See Below*)

**Costumes** - Under garments:

As you know we're providing costumes for the students. The students will be getting changed together in one large dressing room (with boys changing separately). If your child would feel more comfortable wearing an under layer this is absolutely fine but must be **white** and in one of the styles pictured below.

**Plain Black leggings:** Please supply with no logo. **please come to the theatre wearing the black leggings.** If your child does not have a pair of plain black leggings please inform me before Friday and we can see if we have spares (Boys will be wearing black trousers, provided by us!)
