### What It Means To Be A Friend

A friend's not a cheap little phony creep  
Or a jerk trying to make a deal  
A friend is a person who, most of all,  
Cares about what you feel;  
And nothing is harder  
Than learning a friend isn't real  
A friend sends notes back and forth all day  
And doesn't care that you can't spell  
A friend knows you've got a crush on your teacher,  
But a friend would never tell

A friend's outside waiting  
The minute you both hear the bell

And if your heart is always breaking  
Cause the world is just not fair  
When you're at your worst  
Your friends the first one there

Giving you something to lean on  
And that's what it means to be a friend

A friend won't smoke when she's in your room  
Or laugh at the poems you write  
A friend won't go start kissing your brother  
The minute that you're out of sight

A friend is the person  
You call sixteen times every night  
And if your heart is always breaking  
And you want to run and hide  
When your hope is gone  
Your friend is on your side

If someone moves in round the corner  
And you want to show him you care  
So you give him all your last month of vacation  
And all of the time you can spare  
But then, on the first day of classes  
He acts like you're not even there,  
Then he doesn't know  
He doesn't know!

He'll never know what it means  
To be a friend
