

Lets go fly a kite/No where to go but up

With tuppence for paper and strings

You can have your own set of wings

With your feet on the ground

You're a bird in flight

With your fist holding tight

To the string of your kite

Oh-oh-oh

Let's go fly a kite

Up to the highest height

Let's go fly a kite

And send it soaring

Up through the atmosphere

Up where the air is clear

Oh, let's go fly a kite

When you send it flyin' up there

All at once you're lighter than air

You can dance on the breeze

Over 'ouses and trees

With your first 'olding tight

To the string of your kite

Oh-oh-oh

Let's go fly a kite

Up to the highest height

Let's go fly a kite

And send it soaring

Up through the atmosphere

Up where the air is clear

Oh, let's go fly a kite

... If your day's up the spout

Well there isn't a doubt

There's nowhere to go but up

And if you don't believe

Just hang on to my sleeve

For there's nowhere to go but up

... As you fly over town

It gets harder to frown

And we'll all hit the heights

If we never loom down

Let the past take a bow

The forever is now

And there's nowhere to go but up, up!

There's nowhere to go but up!
