

HOW FAR I'LL GO- MOANA

I've been staring at the edge of the
water
Long as I can remember
Never really knowing why

I wish I could be the perfect daughter
But I come back to the water
No matter how hard I try

Every turn I take, every trail I track
Every path I make, every road leads
back

To the place I know where I cannot go
Where I long to be

See the line where the sky meets the
sea, it calls me
And no one knows
How far it goes

If the wind in my sail on the sea stays
behind me
One day, I'll know

If I go, there's just no telling how far I'll
go

I know everybody on this island
Seems so happy on this island
Everything is by design

I know everybody on this island
Has a role on this island

So maybe I can roll with mine

I can lead with pride, I can make us
strong
I'll be satisfied if I play along
But the voice inside sings a different
song

What is wrong with me?

See the light as it shines on the sea, it's
blinding

But no one knows
How deep it goes

And it seems like it's calling out to me,
so come find me

And let me know
What's beyond that line, will I cross that
line?

The line where the sky meets the sea, it
calls me
And no one knows
How far it goes

If the wind in my sail on the sea stays
behind me
One day, I'll know
How far I'll go
