

## I see the light (Tangled)

(Lower solos)

1. All those days watching from the windows  
All those years outside looking in.

2. All that time never even knowing  
Just how blind I've been...

Now I'm here, blinking in the starlight  
Now I'm here, suddenly I see,

Standing here, it's all so clear  
I'm where I'm meant to be

ALL:

And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new

And it's warm and real and bright  
And the world has somehow shifted

All at once everything looks different  
Now that I see you

(Higher solos)

3. All those days chasing down a  
daydream  
All those years living in a blur

4. All that time, never truly seeing  
Things the way they were.

5. Now she's here, shining in the  
starlight  
Now she's here, suddenly I know

6. If she's here, it's crystal clear  
I'm where I'm meant to go

ALL:

And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new

(In harmony) And it's warm and real  
and bright

And the world has somehow shifted  
All at once, everything is different  
Now that I see you  
Now that I see you
