

Mama, I'm a big girl now (Hairspray)

Stop telling me what to do-o
Don't treat me like a child of two-o
I know that you want what's best
But mother please... give it a rest!
(Stop, don't, no!
Please... X3)
Mama, I'm a big girl now!
Once upon a time when I was just a kid
You never let me do just what the older kids
did
But lose that laundry list of what you won't
allow
'Cause mama, I'm a big girl now!
Once upon a time I used to play with toys...
But now I'd rather play around with teenage
boys
So if I miss my curfew please don't, have a
cow!
'Cause mama, I'm a big girl now!
Ma, I gotta tell you that without a doubt
I got my best dancing lessons from yo-ou
You're the one who taught me how to twist
and shout
Because you shout non-stop, and you're so
twisted to-o

Ooooo
Once I used to fidget cause I just sat home

But now I'm just like Gidget, and I gotta get to
Rome
So say arrividdici, toodle-loo, and ciao!
'Cause mama I'm a big girl now!
Ooooh
(Stop, don't, no!
Please... X3)
Mama, I'm a big girl now!
Hey mama...
Hey mama...
Once upon a time I was a shy young thing
Could barely walk and talk so much as dance
and sing
But let me hit that stage I wanna take my
bow...
'Cause mama, I'm a big girl now!
Ooooooh!
Once upon a time I used to play pretend
But now that I'm grown - up I follow different
trends
And I don't need your guidance mom to show
me how,
'Cause mama I'm a big girl now!
Ooooooh!
Ma, you always taught me what was right from
wrong
And now I just wanna give it a try
Mama, I've been in a nest for far too long!
So please give a push and mama watch me
fly!
Watch me fly!

Hey mama...

Say mama...

One day I will meet a man you won't condemn
And we will have some kids and you can
torture them
But let me be a star before I take that vow!
'Cause mama, I'm a big girl now

Oh oh oh
Mama, I'm a big girl now

Hey, ya, ya, ya, yay

Mama... I'm a big girl...
Oo, such a big big girl
I'm a big girl... now...
(Stop don't no please X 3)
Mama, I'm a big girl now!
