

She's in Love (The Little Mermaid)

I'm talking about ariel, that's who!
What about her?
She sure is acting fishy lately!
I'll say! Swimming in circles,
chasing her tail!
That girl is up to her GILLS in somethin'!

(SUNG)
She's dizzy and she's dreamy!
Her head's up in the foam!
Her eyes have gone all gleamy,
it's like there's no one home!
She floats away the days
mopin' on the coastal shelf.

You ask her where she's goin,
She giggles like a fool
She barely sticks a toe in
down at the tidal pool
It's more than just a phase-
face it- she's just not herself!

Is she ill?
Or insane?
Is it water on the brain?
What has got her bothered so?

It's the bends!
It's the flu!
Gosh, I wish we had a clue!
Oh wait
Oh dear
Good grief
It's clear!

She's in love!
She's in love!
Pounding heart, Ringing bells!
Look! I think she's even wearing
brand new shells!!
She's in love!
(in love and it's divine)
She in love!
(that girl's on sandbar 9)
Glory be!
Lord above!
Got to be she's in love!

Hey flounder! Ya notice anything weird
about you-know-who??
Ya mean Ariel? I'll say!

She acts like she don't see me
She doesn't even speak
She treats me like shashimi
left over from last week!
You see her late at night,
tossin' in her ocean bed.

She's moody as a snapper
oblivious as rocks
you swim right up and tap her-
She lays there like a lox!
As sure as dogfish bite,
something's made her lose her head!
(She has lost her head!)

And she sighs, and she swoons
and she's hummin' lil tunes
Even has a sorta glow!
What on earth could it be?!
Any HAMMERHEAD can see!
That sigh
That glow
That swoon
OH NO!!!

She's in love!
(she's flipped, it never fails)
She's in love!
(All hot beneath her scales)
See her hips, how they swish
well-uh well-uh well
don't you wonder who's
the lucky seafood dish?

She's in love!
(she's found a deep see hunk)
She's in love!
(and now she's good as sunk!)
See her blush
See her grin
Got to be love she's in!

Ariel and someone
Swimmin' in the sea
K-I-S-S-I-N-G

(Her cheeks could not flush pinker!)
It's clear as h2O!
(She's caught, hook line, and sinker)
Crushed out
Switched on
Worked up
Far gone
Knocked down!
Hard hit!
In deep--THAT'S IT!

(she's in love)
(she's in love)
SHES.IN.LOVE!!!

She's in love
She's in love
Plain to see
(plain to see)
No mistake
(no mistake)
Look at those moonbeams in her wake
(look at those moonbeams)
Obvious what they must be symptoms of
she's in love
she's in love
she's in love!!!
Yeah,
YEAH!
